Wireless Beehive

Letter of Authorization

Dear Wireless Beehive Customer,

Thank you for choosing Wireless Beehive for your VoIP solution. Local number portability allows you to keep your current phone number while changing your service provider to Wireless Beehive. We will work with your current provider on your behalf to transition your phone number quickly; the process usually takes 15-45 days.

Your current carrier will require that we have this authorization form in our system before they will allow us make changes to your account. By filling out and signing this form you are authorizing Wireless Beehive to begin the process of porting your existing phone number so that Wireless Beehive will be your new service provider. Once the process is complete you will be able to use your old phone number with Wireless Beehive service.
